CROWD JAMS FAIRGROUNDS ON FINAL DAY

The South Mountain Fair came to its close Saturday night with one of its largest crowds in its history.

Parking crews filled every corner of the huge parking lot between the road and the fairgrounds proper, then filled the horse show ring with cars and finally detoured several hundred cars around the fair to a parking lot at its rear.

The first horse show put on by the Adams County 4-H light horse and pony clubs was a feature of Saturday's program and the youngsters put on an excellent program lasting from 10 in the morning until 6 that evening.

GRAND CHAMPIONS

Two grand championships were given in the show — one for those participating in the Western events; the other for those riding in the English tack competitions.

Norman Helman, 16, son of Mr. and Mrs. Dean Helman, Fairfield R. 2, was the grand champion for the Western events, scoring the most points in the various competitions. Mary Ann Clapsaddle, 12, daughter of Mr. and Mrs. Wilson Clapsaddle, Gettysburg R. 1, was the reserve grand champion.

The contest for English class riders resulted in a tie between Carolyn Cunningham, 18, daughter of Mr. and Mrs. William Cunningham, Gettysburg R. 2, and Jenny Ruth, 15, daughter of Mr. and Mrs. Francis Ruth, Fairfield. With the two young women having exactly the same number of points from their winnings in the various English class events, an oral examination was given the two by the judge, Joseph Gallagher, assistant Cumberland County agent. On the third period of questioning Miss Ruth failed to give as complete an answer on one question and the tie was broken with Miss Cunningham named the grand champion and Miss Ruth the reserve grand champion.

AMATEUR SHOW

The close competition featured in the horse show was duplicated in the amateur show Saturday night. More than 1,000 filled all of the seats in Memorial auditorium for the contest and some stood, four or five deep, in the rear of the hall.

WINS WITH BATON

The judges, Miss Lee Ann Leahart, G. Henry Roth and Mrs. J. Glenn Miller, came up with a number of differences in opinion as to placing. Their final vote gave the \$25 first prize to Judy Ann Shearer, aged 10½, of Hanover, who performed what was probably the best and most graceful baton and flag waving act seen in this section. Second honors, \$15, went to the Aronde Four of Hanover, Daniel Sheffer, Richard Michael, John Hostetter and Dwight Alcott, who sang and accompanied themselves with a guitar, banjo and bass viol.

The third prize, \$10, was awarded the Biglerville High School girls' trio, Martha McDannell, Connie Grubbs and Mary

Red Spy Suffered Brain Damage When He Tried To Kill Himself; Is In Coma

By ANTHONY WHITE
LONDON (AP) — Robert A. Soblen has suffered serious brain damage that will take some time even to assess, doctors said today. The runaway spy lay in a coma racked by convulsions more than 100 hours after taking a massive dose of barbiturate, doctors said in an effort to block attempts to fly him to the United States to begin serving a life sentence.

A medical bulletin this morning said Soblen is less deeply comatose than he was but he is still unconscious. Convulsions continue to occur frequently and constitute the main cause of anxiety, it said. Dr. Cyril G. Barnes, the physician who heads the medical team treating Soblen, said the 61-year-old psychiatrist had suffered brain damage as a result of lack of oxygen.

He said it probably occurred while Soblen was being rushed to Hillingdon Hospital after being found unconscious in the ambu-

ROCK CHAPEL CROWDED FOR ANNUAL EVENT

Rock Chapel, oldest Methodist church in Adams County, was filled Sunday afternoon for the annual service that has been held there each fall since regular weekly services there were discontinued 17 years ago.

Rev. Amos D. Meyers, who had been pastor of the York Springs-New Oxford-Hunterstown Charge of the Methodist Church for 12 years from 1950 until early this summer, was the speaker. The service was conducted by the present pastor, the Rev. W. William Kennard.

There was special music by a mixed quartet including Mr. and Mrs. Sylvester Bream and Mr. and Mrs. LeRoy Bream Jr. and by the Junior Choir of the York Springs Methodist Church under the direction of Mrs. John Millhimes.

READ OLD RECORDS

Early in the service there were reminiscences from former members and from descendants of others who had attended Rock Chapel. Entries from 95-year-old Sunday School record books were read to the congregation by Rachel Gochenour.

The Rev. Mr. Kennard announced plans for a "work day" at the old chapel on Saturday, September 29, when cleanup, repair and general maintenance work will be done by volunteers in the church and the adjoining graveyard.

The Rock Chapel congregation's founders were visited by Methodist circuit riders in pre-Revolutionary War Days and the first church there was erected in 1773. The church was rebuilt in 1849.

An offering was received which will be toward upkeep of the property.

The service was attended by many from nearby communities. There were persons present from Harrisburg and one couple drove from Mt. Union, Pa., to attend the service.

Eisenhower And Kennedy Lunch

Former President Dwight D. Eisenhower returned to the White House today to be the guest of President Kennedy at luncheon. General Eisenhower, accompanied by his military aide, Gen. Robert L. Schulz, was airborne in a helicopter at 11:30 o'clock this morning, taking off from Doersom's airport along U.S. 30 West.

President Kennedy will get a first-hand report on Eisenhower's views of the European scene.

Kennedy invited Eisenhower to lunch at the White House and discuss U.S. relations with Europe — a subject that embraces tension in Berlin, methods of dealing with it and the shape of the Atlantic Alliance.

Eisenhower recently returned from a trip with Mrs. Eisenhower and two of their grandchildren to most of the NATO countries.

This will be the fourth meeting between Kennedy and Eisenhower since Inauguration Day 1961.

FRENCHWOMEN GREETED BY EISENHOWER

Twenty-seven French women, part of a group of 75 French men and women, all members of the French Association for the Atlantic Conference, the equivalent of the American Atlantic Council, were greeted by Gen. Eisenhower at his Carlisle St. office this morning at 10:30 o'clock, shortly before the latter left Gettysburg for a luncheon engagement with President Kennedy at the White House.

The French women are making a bus tour of American cities while the men in their group visited U.S. military bases at the invitation of the Departments of State and Defense.

The party of 75 volunteered for the 21-day visit to America. They are leaders of industry in France, representatives of employers' unions, members of parliament and including two retired admirals. All are supporters of the NATO alliance.

FIRST SMALL TOWN

As official guests of the U.S., the men visited NORAD headquarters, Cape Canaveral, Fort Bragg and Norfolk. The French visitors already have been received by Adlai Stevenson at the United Nations, Mayor Wagner of New York City and a representative of the governor of Illinois. Sunday they were greeted by Gen. Ridgway at Pittsburgh and during their five days ahead of them at Washington they will be greeted by President Kennedy.

Delighted with their visit to Gettysburg, the first American small town they have seen, the French guests called Gettysburg "quaint" and "friendly." They arrived here Sunday afternoon and went to see the Eternal Light Peace Memorial. After spending the night at the Hotel Gettysburg, they breakfasted there and then spent a half hour on the battlefield before their appointment with Gen.

DAMAGE SUIT IS SETTLED BY AGREEMENT

The Adams County court this morning gave its approval to settlement of the action in trespass brought by the Rev. Calvin H. Cole Sr., Gardeners R. 2, as administrator of the estate of his deceased son, Russell Thomas Cole, against Mrs. Austin A. Staub, New Oxford R. 1, and daughter, Angela Staub.

The settlement was for \$2,500, with \$500 to go to the administrator of the estate for the funeral and other expenses of the estate and \$2,000 to the parents of the child who was fatally hurt in an accident between Cross Keys and Hanover. A car driven by Miss Staub and owned by her mother collided with an auto operated by Mr. Cole. The settlement provided that the insurance company of the Staubs pay all of the costs involved in the case.

A hearing was scheduled for this morning in the trespass action brought by Cecil P. Lucille and Terry Wallen, New Oxford R. 2, against Aubrey H. Hinkle, New Oxford R. 1, in which settlement for \$1,000 is proposed. The hearing in the case was continued this morning to October 1.

9 ACCOUNTS CONFIRMED

By agreement, the court directed that Lawrence E. Weaver, Hanover R. 4, pay \$15 per week for the support of a child in a state institution.

Nine accounts in estates were confirmed. Argument was begun on a number of cases. Because of the noise of work at the court house in connection with removal of paint the court adjourned to the judges' office for the arguments.

The accounts approved and amounts for distribution include: Gettysburg National Bank, executor of the will of Myrtle V. Mickley, late of Franklin Twp., \$3,320.87; Jay C. Keller, administrator of the estate of John H. Keller, late of Gettysburg, \$6,323.76; Gettysburg National Bank, executor of the will of Rufus H. Bushman, late of Gettysburg, \$3,234.29.

Hewitt, late of Straban Twp., \$7,628.03; Littlestown National Bank, administrator of the will of Mabel G. Gettler, late of Littlestown, \$20,635.89; Ada G. Chinese U-2 Shots Mean Reds Have Latest Ground To Air Missiles On Hand

By SPENCER MOOSA

TAIPEI, Formosa (AP) — Red China, reporting it shot down one of two U-2 planes the Chinese nationalists bought from the United States, charged today the flight over Communist soil was part of a U.S. spy program.

The Nationalists confirmed that one of the high-altitude U-2s they have been operating for nearly two years disappeared Sunday on a routine reconnaissance mission over the Red mainland.

A Nationalist spokesman said the U-2s were bought from the Lockheed Corporation in the United States in 1960 and put into operation that December.

NATIONALIST MATTER

A State Department spokesman said in Washington that the U-2 purchases were made with U.S. approval, but that operation of the planes was solely a Nationalist matter.

Officials admitted privately, however, that it could be assumed that information obtained from Nationalist U-2 flights would be turned over to the United States in the normal course of intelligence exchange between two allies.

FATE OF PILOT

The latest U-2 incident, announced over Peiping radio, came five days after the Soviet Union protested that an American-piloted U-2 had violated Soviet air space over Sakhalin Island north of Japan. The United States admitted that one of its patrol planes might have been blown off

course by high winds.

Peiping did not disclose the fate of the Nationalist pilot, but national officials said privately they were convinced he could not have been captured alive.

It was recalled, however, that the Communists offered Aug. 8 to pay \$280,000 in gold to any Nationalist pilot who delivered a U-2 intact to the mainland.

Peiping's announcement did not disclose how the plane was brought down.

HAVE MISSILES

MISS OHIO IS SELECTED AS 'MISS AMERICA'

NEW YORK (AP)—Lovely Jacquelyn Jeanne Mayer, a once chubby little girl who gave up eating lunches to realize her dream of some day being Miss America began her year's reign here today.

But before leaving Atlantic City and the scene of her triumph Sunday, the auburn-haired beauty from Sanakusky, Ohio, performed the last official act required of all the Miss America contestants. She ate lunch.

When she walked down the 167-foot runway moments after the Miss America crown was placed on her head Saturday night, Jackie presented to the cheering Convention Hall crowd a graceful and comely figure befitting a beauty queen. The hazel-eyed, 20-year-old Northwestern University student stood 5-feet-5, 115 pounds and measured 36-22-36 in the vital statistics department.

USED TO BE CHUBBY

But four years ago, you never would have known her, she said at her first news conference.

"I was always chubby until I was about 16 years old," she said.

Her weight?

"I guess it's all right to say it — I weighed 150 pounds."

After her year as Miss America, Jackie said she intends to complete her education at Northwestern. She hopes eventually to become an actress.

NO FINANCIAL PROBLEM

"The Miss America scholarship was one of the most important things to me. Now I can go on to my master's degree, or even my doctorate, if I decide I'd like to do that much," she said.

Her title carries with it a \$10,000 scholarship, and personal appearances during the year are expected to bring her about \$75,000.

Scholarships also went to the four runners-up—Miss Wisconsin, Joan Mary Engh, \$3,000; Miss Texas, Penny Lee Rudd, \$2,500; Miss South Carolina, Evelyn Keith Ellis, \$2,000, and Miss Hawaii, Patricia Lei Anderson, \$1,500.

"WHAT'S IN A NAME"

To my humble way of thinking . . . there is nothing in a name . . . the thing that counts the most of all . . . is what our hearts proclaim . . . be it Swanson or Lemanski . . . Ginsburg, Rossi or plain Brown . . . the name itself will never bring us . . . to a great renown . . . it's the book behind the cover . . . and the story that it tells . . . not the letters in a title . . . but the theme that therein dwells . . . when I hear a person utter . . . oh, his name is this or that . . . I abhor such gross intolerance . . . and withdraw my welcome . . . for I know I have encountered . . . someone not completely good . . . one who doesn't know the meaning . . . of a word called brotherhood . . . years ago I learned a lesson . . . that has helped me win the game . . . so believe me when I tell you . . . there is nothing in a name.

ONE HUNDRED YEARS AGO

Stirring News! I Great Excitement! Since Saturday morning last our town has been in a state of the highest excitement. During Friday and Saturday the Rebels crossed the Potomac at several points and pushed forward at Frederick city, and took possession of that place on Saturday, about noon. There was no force at Frederick to resist them, and on the news of their approach the commissary stores, so far as they could be, were sent off and the balance burnt by the Quartermaster, by order. The Provost Guard, consisting of one company only, left, together with between 300 and 400 convalescent soldiers who were in the Hospital. They arrived here on Saturday evening and were comfortably provided for by our citizens with food and lodging, and sent on in a special train to York Hospital on Sunday. Since Saturday morning there has been a continued arrival here of prominent Union citizens of Frederick city and county, to the number of nearly three hundred — flying from probable arrest of impressment into the service. They are all intelligent, and of the most respectable class of citizens, and we feel gratified that they have our town convenient to them as a place of refuge from the base action of the Rebels both in the army and without it. The very worthy postmaster at Frederick, Dr. Jenks, arrived here on Saturday, having felt it a duty to bring away all the mails to a place of safety. He sent abroad, through our post-office yesterday, all the matter which he could ascertain would reach its place of destination. There have been hourly rumors that Hagerstown was in possession of the Rebels and all the Union men were flying the country. They were not correct. There was great apprehension however, and a battery of eight cannon, with their men and about 300 soldiers of one of the Pennsylvania regiments left on Saturday and Sunday for Harrisburg, feeling their inability to contend with the large army of Rebels which was reported as coming. THEY went — but the Rebels did not come.

Tomorrow Mr. Adams will talk on the subject: "Putting In — And Taking Out"

WORK CREED

Never to drift with the tide;
Never to go with the breeze;
Never to sit satisfied
In the dusk of the past at my ease,
But forever and ever to try
Some unachieved goal to attain;
Never while living to lie,
And never a task to disdain.
Never to give up the dream;
Never to shrink from desire;
Never, though pleasant it seem,
To bask in content at the fire.
Never in thought to grow old;
Never to idle and rust;
Never to wither and mold;
Never to quit till I must.

Never indifferent to grow;
Never to scorn what is new,
But bravely and gladly to go
Each day to the tasks I must do.
This be my creed to the last,
Always and ever to strive;
Never to dwell with the past;
Never to die while alive.

Today's Talk

THE MAN OR WOMAN
WE HAVE BECOME

I shall never cease to be interested in people. A single individual — any individual, I might say — is vastly more interesting, could you know all about that person, than the greatest book ever written.

But it is what that person has become that is the most interesting thing about him, or her. The mistakes, blunders, and unwise movements of that life are important only as they have served to teach and correct and to develop something substantial that has made that life worthwhile and useful.

It is not what a person was, but IS, that counts in today's summing up. What have you become? That is what you should ask yourself. That is what I should ask myself. Who wouldn't have, oh, so much of his or her past blotted out? But that past remains. It is a part of the history of a human being. That history, however, is germane mostly to the one who owns it.

We are made up of the tiny bits of all history, all experience, all thought, all suffering, all joy.

What we have become is our contribution to the great stream, kept in its regular, eternal course by the Infinite God.

Why do we get discouraged? Why do we become depressed at times? Why is it that simply a smile, or a kind deed will lift us from the deepest depth of despair? I do not know. But this I do know, that the mixture of the stars above us at night time in the blue sky, and all the evidence of beauty and warmth of love that are scattered about in people's hearts and in the flowers of the field, and in the throats of birds, are forever remaking us, casting our hope into something everlasting and sure.

We should appraise our lives each day, just as a business man does his business. What are we now?

Tomorrow Mr. Adams will talk on the subject: "Putting In — And Taking Out"

WORK CREED

Never to drift with the tide;
Never to go with the breeze;
Never to sit satisfied
In the dusk of the past at my ease,
But forever and ever to try
Some unachieved goal to attain;
Never while living to lie,
And never a task to disdain.
Never to give up the dream;
Never to shrink from desire;
Never, though pleasant it seem,
To bask in content at the fire.
Never in thought to grow old;
Never to idle and rust;
Never to wither and mold;
Never to quit till I must.

Never indifferent to grow;
Never to scorn what is new,
But bravely and gladly to go
Each day to the tasks I must do.
This be my creed to the last,
Always and ever to strive;
Never to dwell with the past;
Never to die while alive.

OILERS STAVE OFF RALLY BY BILLS 28 TO 23

By THE ASSOCIATED PRESS

Houston's Oilers took a stuttering but successful first step in their drive for another championship as the free-wheeling, aerial-orientated American Football League opened its third season over the weekend.

The Oilers, winners of both AFL titles to date, outlasted a furious second half by Buffalo and got by the Bills 28-23 Sunday. In other openers, the New York Titans were sparked by brand-new quarterback Lee Grosscup to a 28-17 victory over Oakland Sunday, Abner Haynes racked up four touchdowns as Dallas beat Houston 42-28 in a Saturday night game, and Denver recorded its first decision ever over San Diego Friday night, 30-21, with iron-armed Frank Tripucka spearheading the drive and a new coach outshining his old boss.

STAVE OFF RALLY

Houston ran up a 28-3 lead over Buffalo and then turned to time-consuming ground play as the Bills scrambled back. Art Baker triggered the rally with a scintillating 100-yard kickoff return.

Charlie Hennigan netted two Houston touchdowns on passes from George Blanda and Billy Cannon. Charlie Tolar counted once on a 19-yard run, and Cannon tallied on a plunge.

Grosscup, who was waived out of the National Football League last week and signed by the Oilers on Friday, sparked the New York offensive after taking over in the second period. The one-time Utah star passed for three touchdowns, to Art Powell on plays going 80 and 64 yards and to Dick Christy on a 19-yard maneuver.

Bermudian Drops Initial Grid Game To Northern 29-0 On Dillsburg Field

The Polar Bears of Northern High School clipped the wings of the Bermudian Eagles to the tune of 29-0 Saturday afternoon as both schools inaugurated their 1962 football season on the Dillsburg gridiron. Approximately 2,200 fans were on hand for the season's opener.

Bermudian put up a desperate battle and with the help of 11 Northern penalties, most of which came in the second quarter, were able to contain the hard running Bears in spots. Coach Dean Becker's few veterans had their hands full all afternoon while the remainder of the squad put on a game showing. Only once did Bermudian cross over into Polar Bear territory and that was late in the game. Most of the three periods were played on Eagle land.

Northern struck quickly when Bob Huffman recovered a Leigh-ton Megonnell fumble on the Bermudian 36 on the third play of the game. On Northern's first play from scrimmage, Francis Myers romped off left tackle and dashed the remaining 36 yards for the score and followed through with the placement.

BEARS FIGHT PENALTIES

After three unsuccessful downs, Bermudian's tough little quarterback, Megonnell, was forced to punt. Northern took over on the visitors' 33, but they were in for trouble. Overcoming six illegal motion penalties, the home squad finally found the goal line when quarterback Charles Grove skirted over from 15 yards out. This time Myers' placement attempt was blocked by Dave Bricker. The score remained 13-0 at intermission.

Northern put its backfield power back to work in the opening minutes of the third period. The Polar Bears took the kickoff and marched 63 yards uninterrupted for their third TD. Jon Sileo capped the drive by diving off left guard from the four. Myers' placement was good.

Northern's final six-pointer came minutes later when Dick Stevens intercepted Megonnell's pass and returned it one yard to the Bermudian 27. It took the Bears but six plays to cross the goal line with fullback Jim Young going over from the two. Myers registered his third extra point. A 15-yard roughing the kicker penalty enabled Northern to kick off from the Bermudian 45. Myers booted the ball out of the end zone and the Eagles had possession on their 20. Four plays later, with the ball resting on their own four, the Eagles sent Megonnell back to punt, but Stevens came crashing through to block the kick and sent it out of the end zone for a safety.

STOPPED AT TWO

From that point on Northern utilized the services of its bench. Once in the fourth period Northern drove to the Bermudian two but was unable to score.

Bermudian will be idle until Monday, September 17, when it tangles with the Littlestown junior varsity in Littlestown at 8 p.m.

4 WILL PRINT SERIES DUCATS

NEW YORK (AP)—Four teams, two in each league, had authorization today to print tickets for the 1962 World Series, which will start in the home park of the National League pennant winner on Wednesday, Oct. 3.

Commissioner Ford Frick, in announcing the starting date, authorized the New York Yankees and Minnesota Twins of the American League, and the Los Angeles Dodgers and San Francisco Giants of the National League to print Series tickets.

The four teams are running 1-2 in their respective leagues, with a little over three weeks of the season remaining.

The Los Angeles Angels in the American League, and the Cincinnati Reds and the Pittsburgh Pirates in the National, also were represented at an all-day meeting to make arrangements for the Series.

TO ALERT OTHERS

Frick said the other clubs would be given authorization to prepare tickets if the races tightened.

The second game of the Series

NICKLAUS IS WORLD SERIES GOLF WINNER

AKRON Ohio (AP)—When the incentives and the prizes are big, 22-year old Jack Nicklaus appears to be the boss of America's golfers.

He may have replaced Arnold Palmer as paragon of the fairways Sunday when he won the first World Series of golf—leaving the Latrobe, Pa., belter and PGA champion Gary Player four strokes in the wake of his birdies and pars.

The sensational rookie from Columbus, Ohio, in his first year as a pro after winning a couple of national and numerous other amateur fixtures, hoisted his 1962 earnings over the \$100,000 mark by picking up the first place check of \$50,000. Palmer, first day leader by a stroke over Nicklaus and four over Player, had to settle for a second-place tie with the dapper South African—each getting \$12,500.

None of the money won here, however, counts on the official PGA money-winning list since the "World Series" was rated an exhibition. Palmer remains the leader in money earned this year with over \$80,000—a single season record.

Skeptics who thought Nicklaus' three-stroke victory over Palmer in the National Open playoff could have been a fluke were convinced that this 210-pound blond youngster from the Buckeye capital has all the shots he needs to carry him—and keep him—at the peak of the pile.

Palmer, putting sensationally, had torn this 7,165-yard Firestone Course apart in the first round with a 65—matching the course record. But he found himself only a stroke ahead of Nicklaus, who carved out a 66.

In Sunday's 18-hole stretch drive, Palmer three-putted the first two greens and hit a short into a lake on the third—and Nicklaus was in front to stay. He clinched the big prize with birdie putts of 12 and 18 feet on the 10th and 11th holes, and put the frosting on the cake with an 18-foot birdie on the 36th hole for a closing 69. Palmer soared to 74, and Player matched par 70 to tie him.

Player outdriven on every hole by his huskier opponents, had to rely on woods and long irons to reach these distant greens—but he played the most consistent golf of all as he had 29 pars to 25 for Nicklaus and 23 for Palmer.

For Palmer, it was a disappointing way to wind up his 32nd year. Arnie is celebrating his 33rd birthday today.

will also be played in the National League park, on Oct. 4, with the next day reserved for travel. The third, fourth and fifth games will be played in the American League, city on Oct. 6, 7 and 8. If the sixth and seventh games are necessary in the best-of-7 series, there will be another open date Oct. 9, with play resuming in the National League park on Oct. 10 and 11.

Should the two Los Angeles clubs become Series opponents, there will be no open dates, Frick said.

Wills' Base Stealing Is Key To Dodger Win; Race Tight As Giants Beat Cubs

By JOE REICHLER

Associated Press Sports Writer

Because Maury Wills, the larcenous son of a Washington minister, refuses to adhere to the commandment, "Thou shalt not steal," the Los Angeles Dodgers are still in first place today by half a step.

That was just about all Wills needed Sunday as he stole three more bases and helped the Dodgers defeat the Pittsburgh Pirates 5-3 to protect their half-game National League lead over the relentless San Francisco Giants, who kept pace by beating the Chicago Cubs 5-4.

The Dodgers' fleet shortstop, staging a one-man show before 37,594 fans, hit three singles in

NEW OXFORD, LITTLESTOWN WIN SP TILTS

Gettysburg, regular season tilts, lost its opening game in the South Penn League Shaughnessy playoffs here Sunday afternoon to New Oxford 4-2, the game being highlighted by three home runs. Meanwhile Littlestown evened its series with Fairfield with a 7-1 triumph at Fairfield. The latter teams will clash in the deciding game of their three-game set at Fairfield next Sunday.

All scoring in the game here was accounted for by homers. Bud Reichart smashed a two-run homer for New Oxford in the top of the fourth and in the bottom of the same inning Larry Eckert duplicated for Gettysburg with Fair on base.

Joe Bevenour won the decision for New Oxford when he smashed a circuit blow in the top of the eighth with Miller on base.

STOPPED BY DP

Gettysburg threatened to pull the game from the fire in the bottom of the ninth when it loaded the bases on a single and two walks with one out. At that point Ron Weigle, New Oxford hurler, gave way to Reichart who got the next batter to ground into a double play ending the well-played game.

The teams will meet in the second of their best-of-three series next Sunday at New Oxford.

Sparked by Paul Solomon's five hits, including a double and triple, Littlestown scored a pair of runs each in the third, sixth and seventh frames for its triumph.

Bob Weaver scattered 11 hits to Fairfield. McClellan rapped four singles for the losers while McCauslin poled a pair of singles and a triple.

Phillies Nearing Loop's Sixth Spot

MILWAUKEE (AP)—All of a sudden the Philadelphia Phillies are only 2½ games out of sixth place, thanks to Chris Short who may have found himself finally.

The Phillies Sunday defeated Milwaukee 4-2 to complete a three game sweep of the Braves as Short, with relief help from Jack Baldschun, picked up his ninth victory against eight losses and his fourth triumph within the last 30 days.

In addition, Short collected four hits in four trips to the plate, scored what proved to be the winning run and batted in an insurance run in the eighth.

It marked the Phillies ninth victory in their last 11 games and the first time they had taken three in a row from Milwaukee and defeated Warren Spahn at County Stadium in four and a half years.

PACKERS AND BROWNS LEAD PRO GRIDDERS

By JIM HACKLEMAN

Associated Press Sports Writer

Green Bay's mighty Packers and the resurgent Cleveland Browns stand out as favorites as the National Football League heads into its 43rd season.

The Packers, with the same powerful team that swept to the Western Division title and devastated New York 37-0 in the championship playoff last year, open with a home game against the Minnesota Vikings Sunday when the 14-club league begins firing in earnest. The Browns, once invincible in the East but shut out of the division crown since 1957, start right off against the arch rival New York Giants in a battle at Cleveland between the conference's top two contenders.

Also on the first day schedule: Pittsburgh at Detroit, St. Louis at Philadelphia, Los Angeles at Baltimore, Chicago at San Francisco and Washington at Dallas.

BOTH UNDEFEATED

Green Bay and Cleveland shared honors in the month of exhibition play which concluded over the weekend. The Packers scored five straight victories over NFL teams after their 42-0 conquest of the college All Stars, while the Browns won all five of their exhibition games against league opposition.

Green Bay closed out its pre-season action with a 20-14 decision over the Washington Redskins (1-4) Saturday night and Cleveland overcame the Chicago Bears (0-5) 28-24 Friday night. Elsewhere, Pittsburgh rookies led the Steelers (2-3) over the Baltimore Colts (3-2) 20-9 Sunday, Minnesota (2-3) clouted the Dallas Cowboys (0-5) 45-26 and the San Francisco 49ers (4-1) beat the Los Angeles Rams (2-3) 19-3 Saturday night. The Giants (2-2-1) racked up the Philadelphia Eagles (3-2) 27-10 in a day game Saturday, and the Detroit Lions (4-1) beat the St. Louis Cardinals (1-3-1) 14-0 Friday night.

19 WINS STREAK

Bart Starr passed for two Green Bay touchdowns and reserve John Roach threw for the other as the Packers won their 19th exhibition game in a row by beating the Redskins.

Jim Ninowski, the ex-Lion who's been a sensation for the Browns, fired Cleveland's clincher against the Bears when he hit rookie Gary Collins with a 13-yard payoff pass midway in the final period, overcoming a 24-21 Chicago lead.

Rookie John Burrell nabbed three passes for 119 yards and one touchdown while first year man Bob Ferguson and Joe Womack supplied the running power in Pittsburgh's victory over Baltimore.

Tommy Davis' toe was San Francisco's prime weapon, with the kicking specialist booting field goals of 47, 27, 22 and 18 yards. With its brilliant defense throttling the Cardinal attack, the Lions made two third quarter touchdowns stand up at St. Louis. Milt Plum, acquired by Detroit in the quarterback switch with Cleveland, led a 75-yard drive that broke a scoreless tie by completing five of six passes.

Yankees Lose Double Bill To Boston But L.A., Twins Fail To Take Advantage

By JIM BECKER

Associated Press Sports Writer

If the New York Yankees played two games every day, they might be holding up the American League instead of heading it.

The Yankees dropped a pair to the Boston Red Sox Sunday, 9-3 and 5-4 in 16 innings, for their eighth doubleheader loss this season. They have split 10, and swept only three.

That works out to a .381 pace, and spread over the full season it would put the Yankees in a flat tie for ninth place with the Washington Senators, who are going at that same speed.

But if the formula for beating the Yankees has been found at last, the two pursuers lost a golden opportunity to take advantage of it.

The second-place Minnesota Twins dropped a 10-9 battle to Detroit, and the third-place Los Angeles fell 4-3 to Baltimore in 14 innings. The Twins inched up to within 2½ games and the Angels to four.

In other action, the Chicago White Sox slipped into fourth place ahead of Detroit by trimming Washington twice, 4-3 and 3-2 in 11 innings, and the Cleveland Indians dropped Kansas City 12-7.

WIN IN 16TH

The Red Sox squeezed home the winning run in the top of the 16th inning in the nightcap, after Bob Tillman doubled and went to third on a wild pitch. Pinch hitter Billy Gardner, a former Yankee, laid down a perfect bunt that scored Tillman.

Dick Radatz, who has the league's second best earned run average, took over in the seventh, allowed the run that tied the game at 4-4, and then shut out the Yankees the rest of the way.

Home runs by Carl Yastrzemski, Ed Bressoud and Lu Clinton powered the opening game victory and spoiled the pitching debut of Skinny Brown for the Yankees. Bill Monbouquette went all the way for Boston.

PA. TURNPIKE AGAIN FREE OF AUTO DEATHS

By THE ASSOCIATED PRESS

The Pennsylvania Turnpike went through its second straight weekend this month without a traffic accident over the state.

In non-traffic accidents, an 11-year-old girl was shot to death by a 14-year-old boy who police said believed the pistol was unloaded and a Philadelphia woman died in a fire, making the overall toll nine from 6 p.m. Friday until midnight Sunday.

One of the traffic deaths resulted in the arrest of Quincy Carr, 28, of Philadelphia. Police said Carr, who allegedly first posed as an innocent bystander, was the hit-and-run motorist who killed Mrs. Rose Allen Saturday night. Carr was held under \$1,500 bail on charges of involuntary manslaughter, leaving the scene of an accident, car theft, driving without a license and reckless driving. "SCARING" GIRLS

In the shooting death, police quoted Palmer Ward, son of Alan Ward, editor of the weekly New Hope Gazette, as saying he was sharing baby-sitting chores with two girls at a neighbor's home Saturday when he went into a bedroom and picked up a pistol.

Police said Palmer removed the clip from the weapon but failed to realize a bullet was in the chamber. He was quoted as saying he brandished the weapon "just to scare" the girls. The gun fired, striking Darby Walbridge. The girl died Sunday in a hospital.

After questioning Palmer, New Hope Police Chief William Brooke ruled the shooting accidental and released the boy to his parents.

OTHER VICTIMS

The other victims included: Dushore — Albert J. Buckingham, 37, Quakertown R. 1, killed Sunday in a one-car crash.

Mesheppen — Boyd House, 63, Johnson City, N.Y., killed Saturday when his car hit a tree.

Philadelphia — Mrs. Anna E. Thomas, 74, an invalid great-grandmother, was killed when a fire swept a two-story home in northeast Philadelphia Saturday. Two other persons suffered smoke inhalation.

YORK CO. DEATH

McConnellsburg — Robert W. Locke, 20, killed Saturday night when his car ran out of control north of McConnellsburg and crashed into a utility pole.

Franklin County — Fred David Myers, Dover R. 1, Pa., killed early Sunday when his car hit an abutment near the York County community of Franklinton. Myers, who was alone, apparently fell asleep, the state police said.

Pittsburgh — John Morris, 26, of Edgewood near Pittsburgh, killed Saturday night when the car in which he was riding crashed against a tree in a Pittsburgh suburb.

Brookway — Joseph Dusch Jr., 33, Brookway R. 1, killed early Sunday when his car ran off the road and bounced off two trees before crashing into a third.

A moment of carelessness can mean a lifetime of regret.

2 FUGITIVES RECAPTURED

McConnellsburg, Pa. (AP) — Two young men, captured Sunday after their escape last week from Fulton County Jail where they awaited trial on a burglary charge, were taken to prison.

Russell E. Knisely, 22, Crystal Springs, Fulton County, and Gene E. Kerlin, 20, McConnellsburg R. 1, were apprehended individually by state police.

They fled the jail Friday afternoon. Knisely was apprehended when the auto he was driving was stopped for speeding by state police from Chambersburg.

State police said the car was stolen 50 minutes earlier from a used car lot in Chambersburg. Kerlin surrendered to police at his home. He called the state police at McConnellsburg about 3 p.m. and told them he wanted to surrender.

Both men were returned to Fulton County Jail and charged with prison breach. A formal hearing on the charge will be held later, police said.

PAROLEE, 33, IS SLAIN BY FED-UP WIFE

PHILADELPHIA (AP) — A 33-year-old parolee who had 20 arrests on his record was shot to death by his wife who said she was fed up with his life of crime and occasional beatings, police reported.

Police quoted Mrs. Anna Strain, 28, a petite blonde mother of two children, as saying she was putting a cartridge into a 12-gauge shotgun when it discharged in the living room of the couple's home Sunday. She told police she was shaking the gun at the time.

The husband, Robert Strain, 33, a writer, married the comedian's brother in 1947 in Stevenson, Wash. They separated last June and she obtained the divorce decree in Los Angeles.

Moved 11 times

Mrs. Strain was held without bail by Magistrate Harry C. Schwartz on a charge of murder.

Detectives quoted Mrs. Strain as saying that her husband's life of crime had forced them to move 11 times in the seven years they were married. Occasionally, she told police, Strain would beat her.

Once in 1959, she said, she had him arrested for assault and battery but later withdrew the charges.

HAD ARGUED

Police said the Strains' two children, Robert, 6, and Ronald, 5, were asleep in a bedroom while their parents argued in the living room in the early morning hours of Sunday following the celebration of Mrs. Strain's 28th birthday Saturday night at a party in a Pennsauken, N.J., motel.

Mrs. Strain told police she toyed with the gun for two hours while she remonstrated with her husband. After the weapon discharged she ran to the home of her father-in-law, David Strain, 62, who lives a block away, and told him: "I just shot Bobby."

MARTIN MIGHT KEEP HIS JOB

PHILADELPHIA (AP) — Richardson Dilworth, Democratic candidate for governor, says if elected he has every intention of either asking Park Martin, a registered Republican, to remain as secretary of highways or appointing as secretary a true career man of the same type.

"I shall also call upon the legislature and make it one of my prime goals to extend Civil Service in the department to every person who requires skills and whose job requires a person of some skill," said Dilworth.

Dilworth made the statements in a letter to the Keystone Motorist, monthly publication of the Keystone Automobile Club. Maxwell J. Smith, president of the club, had asked him and Rep. William W. Scranton, the Republican candidate, for their views on politics regarding the Highways Department.

Common Clay Offers Cheap Way To Clear Water From Radioactive Contamination

By FRANK CAREY
Associated Press Science Writer

ATLANTIC CITY, N.J. (AP) — Common clay offers a cheap and efficient means of purifying water contaminated by radioactive fallout from a nuclear attack, a government scientist reported today.

Widely occurring types of clay also offer a good bet for aiding in the disposal of radioactive "garbage" — the wastes of the atomic industry — the American Chemical Society was told by radiological chemist William J. Lacy of the federal Office of Civil Defense.

In a report prepared for the opening of the 142nd national meeting of the ACS—a convocation of chemists and chemical engineers — Lacy described research conducted at the Atomic Energy Commission's Oak Ridge, Tenn., National Laboratory.

Six types of clay were tested for their ability to remove radioactive strontium-90 and cesium-137 from the liquid wastes of nuclear reactors.

Those are two of the three most-feared radioactive isotopes which also occur in the fallout from nuclear weapons explosions. Radioactive iodine is the third.

Declaring that reactor wastes are

BOY, 11, AIDS IN CAPTURE OF BUTLER KILLER

BUTLER, Pa. (AP)—A 19-year-old convicted killer who escaped from jail was back in his cell today because of an 11-year-old boy who came upon him and then notified police.

Donald Montgomery of Brackenridge, convicted last June in the arson death of Mrs. Pauline Ritter, 67, of Cabot, was to be given a hearing today on a charge of breaking jail.

He scaled a wall of an exercise yard Friday at the Butler County Jail where he was held awaiting formal sentencing to life imprisonment.

FOUND BY BOY

Some 27 hours later he was captured in a wooded area in Butler. He said he spent the night after his escape sitting on a stump in the woods.

Scores of searchers hunted for Montgomery but it was Jimmy McKain of Butler who discovered him. The youngster gave the tired and hungry fugitive three apples and then went to the police and identified Montgomery from photographs.

Montgomery was captured without a struggle by two officers at the spot where the McKain boy left him.

He knew "Jimmy Something" reported him, but he was not angry, Montgomery said, adding: "What could you expect from an 11-year-old kid?"

WANTED TRANSFER

He also said he fled from the women's cell block at the jail where he was the only prisoner because he wanted to be transferred "to Pittsburgh."

Charles Ganss Jr. of Cabot faces the electric chair in the death of Mrs. Ritter at her home last Jan. 20. He was convicted in a separate trial.

The state said Montgomery and Ganss robbed the home, bound the victim and her husband, Raymond, put them in separate closets and set fire to the house. Ritter escaped.

Take time to rinse a grater right after using it because this saves time in the long run.

CABBIE GETS TIP OF LANCE IN RADIATOR

By ANDREW MEISELS
NEW YORK (AP)—Once upon a time, when knighthood was still in flower—namely Thursday—there was a young knight by the name of Edward Hess.

Now this Hess was a goodly fellow of some 21 summers who hailed from a land called the Bronx. He rode, knight errant, into the neighboring province of Manhattan on a white charger called Nancy, with lance in hand and wearing a red tunic with falcon crest, knight's helmet and coat of mail.

He was, however, only a knight for a day or so, and he rode around the city of New York advertising for Brooklyn's St. George Hotel (St. George and the dragon—get it?).

NEAR U.N. BUILDING

Hess was riding on First Avenue between 44th and 45th streets, near the United Nations Building, when a likely adversary appeared in the form of a New York taxicab.

For the benefit of the uninitiated, a New York taxicab is a sort of modern-day dragon that moves at high speed, stops with great squealing, eats money and has a call that goes: "honk, honk."

This particular taxicab, driven by Philip Viceconti, pulled up behind Hess and his trusty mount and went "honk, honk."

LANCE IN GRILLE

"Neigh, neigh," went Nancy, whirling about. And, before Hess could go "nay, nay," his trusty lance had pierced the taxicab's armor—right in the grille.

"Odd bockins," said Viceconti, or words to the effect.

"Egad," said Hess, "twas but an error, milord."

Quoth Viceconti as the knight rode off into the sunset:

"Go tell King Arthur he owes me 60 bucks for this radiator."

TO PUSH AMENDMENT

PITTSBURGH (AP)—Gov. Lawrence has promised to push the 1963 Legislature for ratification of the proposed constitutional amendment making poll taxes unlawful.

Lawrence made the pledge in a talk Saturday night before the Catholic Interracial Council in Pittsburgh.

HELL FOR MURDER

RIDGWAY, Pa. (AP)—Ernest Hanes, 49, of St. Marys faced arraignment today on a murder charge in the fatal shooting of his wife.

Police said Hanes, apparently in a fit of jealousy, fired two bullets into his wife, Loretta, 46, on Friday night in a restaurant near St. Marys.

Hanes was arrested on Saturday and committed to Elk County Jail.

ATHENS, Greece (AP)—Police clashed with more than 2,000 tobacco growers in western Greece Saturday as a protest demonstration turned into a riot.

First reports reports reaching Athens from the tobacco-producing town of Agrinion said at least one person was killed and 30 were injured, including 18 policemen.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Shell engineer uses stethoscope to help detect noise the ear alone can't hear. Super Shell fights three different engine noises to give you top performance.

How 3 of Super Shell's 9 ingredients fight engine noise—including one hard-to-hear form of knock that could lead to real damage

SHELL scientists will tell you that any good gasoline should reduce engine noise. That's why they include no less than three noise-fighters in Super Shell's 9-ingredient blend. Here's how they work to help give you a soft-spoken engine—and top performance.

How Super Shell fights high-speed knock

High-speed knock makes a sharp, high-pitched noise—like metal tapping against metal. Because it's most likely to occur in hot engines at turnpike speeds, high-speed knock is often difficult to hear.

But even though you may not hear it, high-speed knock can pound away at pistons—even lead to costly damage.

Fortunately, high-speed knock isn't too common. But Shell scientists have known about it for a long time. Ever since they pioneered the development of a substance called Alkylate to help control high-speed knock in aircraft engines. Today, Alkylate is an ingredient in Super Shell gasoline.

How Super Shell fights wild ping

Wild ping doesn't last long. It sounds like the erratic beat of a nervous drummer.

How Super Shell fights ordinary knock

Most people have heard ordinary knock. It may sound to you like marbles dropping into an empty oil drum.

Super Shell's anti-knock mix is so powerful that a teaspoon per gallon is enough to raise anti-knock rating a full five points.

This anti-knock mix helps regulate the combustion of Super Shell. Thus, each piston gets a firm, even push. Not a sharp, jarring jolt.

Now, read how the other six ingredients in Super Shell's 9-ingredient blend help you get top performance.
